Description

New Billet Alloy Lightened Ford Cleveland timing case covers with Adjustable Timing Pointer

Our newest version of Billet 6061 T6 .625" thick Cleveland timing case cover is lightened on the inside and the outside and also features an adjustable timing pointer.

These timing case covers DO NOT have a stock external appearance, but will still bolt straight on with no modifications needed. A standard timing case cover seal can still be used. No special parts required to fit.
