Description

AF100-1M-CUT for 100/150/500/550 Series Fittings

The Aeroflow 100 series hose is a true double braided hose that uses the highest quality stainless wire available in the world. Constructed with a stainless steel outer braid that resists adrasion and corrosion, combined with a reinforced Chlorinated Polyethylene (CPE) synthetic rubber liner with a nylon inner braid. Compatible withh all hydrocarbon and alcohol-based fuels, lubricants and additives.
